## Coil's No-Hitter Nullified; Salta Wins 2nd Game

The Torrance Red Devils, elated after a no-hit performance by Don Coil Saturday night, came back for the second round of play Monday to find a tough Salta Pontiac nine waiting for them. The Salta Pontiac boys collected eight hits and scored six runs to hand the Devils their first defeat in the Connie Mack Tournament.

Coil, whose no-hit, no-run game Saturday night gave the Devils a 5-0 triumph over Compton, had to sit on the bench Monday while his team made an unsuccessful attempt to overcome a first inning four-run deficit.

The Devils managed to pick up three runs in their share of the second frame, but Salta Pontiac added two more in the third and fifth, and that was all she wrote.

Ty Goodman was tagged with the defeat. Long Beach hurlers fanned 12 and walked seven.

Saturday's game was a dream for winner Coil. Aided by a three-for-three performance at the plate by Steve Woody, Coil coasted to the win on a five-run cushion. He was never in serious trouble, and came close to a perfect game against Compton.

The Devil hitters collected eight hits and each team made one fielding error.

The Red Devils earned the tournament position after an 11-7 victory over the Torrance Bullets last week in a game that could only be described as a comedy of errors. The South Bay Champs will continue play in the double elimination tourney at Blair Field in Long Beach.

## Pop Warner Sets Opening Day Here

Opening day ceremonies for the Pop Warner Football Assn. have been set for Saturday, Sept. 14, Jack Jasper, president of the youth football organization, has announced. Nearly 2000 boys have already registered for the Pop Warner teams this year, and more are reported signing up every day. Practice sessions and try-outs are held each evening at 5 p.m. on the Torrance High School practice field on Plaza Del Amo.

Seventeen teams will participate in the opening day ceremonies, according to V. V. Smith, general chairman of the opening day committee. Torrance will field seven teams this year.

PARTICIPATION by the United States Navy, and the presence of top radio and television personalities will brighten this year's opening day, report Smith. A part of the afternoon will be televised.

There are still positions available on the teams and boys between nine years and 14 should contact Jasper, or attend one of the try-out sessions at Torrance High School.

TORRANCE TEAMS playing in the Pee Wee division include: Vikings, managed by Aramis Dandoy; Oilers, John Sarpolis; Mustangs, Bill Lenehan; and the Knights, Jim Savino.

Two midget teams are the Chargers, Cloy Timms; and the Steelers, Tom Chalakee. Ralph Hogue will manage the Blue Devils, the lone entrant in the Junior Bantam division. Information on the teams and try-out sessions may be obtained from Mrs. Ginger Duarte, 320-3147, or from Jasper, FA 8-3711.

## National Ski Title On Line

Three of the nation's top men water skiers will compete in the 1963 National Water Ski Championships at Long Beach Marine Stadium Aug. 22 through 25.

Leading the field is Chuck Stearns of Bellflower, the 1962 National Men's Over-all Champion and a member of the United States water ski team that will go to France in September.

Stearns has won the national men's over-all title four times and has more than a dozen other national skiing honors. In 1959, he became the over-all World champion at the age of 20.

Larry Penacho of San Diego, who holds the world jump record and placed second behind Stearns in 1962, is expected to provide plenty of competition.

Last year's third place over-all skier, Jimmy Jackson of Delray Beach, Fla., is also entered in the Long Beach meet. He is also a member of the six-man United States team.

CLUBS READIED . . . Don Mansfield (left), Rolling Hills Estates city administrator, checks the new first hole of the Rolling Hills Golf Club as course architect Ted Robinson points it out on the course drawings. O. K. Tingle, right, developer of the new golf facility, adds to the explanation being given by Robinson. The new golf club, located at Narbonne Avenue and Palos Verdes Drive North, will be opened for play on Nov. 1.

## Rolling Hills to Open Golf Club November 1

An opening date of Nov. 1 has been set for the new Rolling Hills nine-hole, par 3 and 4 golf course. The new course, which adjoins the Jack Kramer tennis club property, is now being constructed at Narbonne Avenue and Palos Verdes Drive North.

The course, designed by noted golf course architect Ted Robinson, has both short and long holes, requiring the use of all clubs in the golf bag. Robinson has merged some of the best features of both the short par 3 courses with many of the features of a regulation golf course to challenge the experienced golfer.

VARIED TERRAIN, water and sand hazards, and two holes of more than 200 yards each, are some of the features in the new facility. All greens are regulation-size contoured greens. There are also two half-acre lakes on the course.

Course developer O. K. Tingle reports extensive grading has been done to provide a varied and challenging terrain. Planned accommodations for the course also include a one-and-a-half story clubhouse. A dining room, snack bar, and banquet room will be opened along with the pro shop.

FUTURE PLANS for the course include lighting so that the area may be used for night play.

Grand opening ceremonies have been set for Nov. 1, and an exhibition match featuring leading professionals is planned.

## New Rules Apply at Ascot Park

Racing programs that will put the pressure on drivers in the heat races will be inaugurated at Ascot Park this Saturday as new rules become effective.

J. C. Agajanian, racing director, has received the final go-ahead from the United States Auto Club officials and Ascot's chief steward, Sam Hanks, for the rules change.

THE NEW rules will require that a driver earn a main-event position in the heats. "This will make for much better competitive racing," says Agajanian, "and it will speed up the entire program."

The two 8-lap speedups will be inverted, forcing the fastest qualifiers to work through traffic on the "dirt quarter" if they get the front line berths in the 50-lap main.

SATURDAY'S feature will have Billy Cantrell, Bobby Hogle, and two-time winner Johnny Moorhouse of Santa Ana. Also on the program are Allen Heath, Northridge; Don Weaver, Redondo Beach; Joe Garson and Colby Scroggins of Highland Park; Bobby Unser, Albuquerque, N. M.; Johnnie Tolan, Norwalk; and some 40 other top drivers.

The first race gets under way at 8:30 p.m. with a three-lap inverted start trophy dash. Qualifying begins one hour earlier.

Bear-hunting season will run from Sept. 21, 1963 through Jan. 1, 1964 with a bag limit of two bear per season, the Department of Fish and Game has announced.

## Points Up For Grab At Ascot

A big battle is shaping up at Ascot Park for the 1963 Figure 8 Stock Car racing championships, as racing enters its final months. Point leader Ben Steele of Gardena will take on a 50-car field Sunday evening.

Racing will get under way at 8:15 p.m., with time trials starting just one hour earlier. The program is a nine-event card.

Steele, who drives a Chevie, has a 370 point lead going into this week's program, but anything goes in the Sunday night card.

Bob Hobbs of San Pedro stands in the number two spot now, and stands ready to move up Sunday. Joe Drew of Lawndale is third in the point fight with 789 marks.

Also on the line Sunday will be Ed Ferro of Torrance, who won his first main event just two weeks ago. Ferro will drive an Olds, and is currently ranked in the number 11 position for points.

## Triple Main Featured at Cycle Races

Motorcycle action tomorrow night at Ascot Park will feature a triple main-event, with chief interest centering on the 15-lap feature for expert class riders of the sanctioning American Motorcycle Assn.

Racing at the speedway begins at 8:30 p.m. with qualifying starting at 7 p.m.

Elliott Schultz of South Gate, first year expert who has upset some of the veteran two-wheelers, is highly regarded to take top money in the main. Jack O'Brien of Santa Monica, Al Gunter of Alhambra, Dick Hammer of Lakewood, and point leader Sammy Tanner of Bellflower will still be watching.

Bob Emde of National City is favored in the 10-lap main for amateurs, with Bob Bailey of Torrance in the running.

Novice riders will go eight laps in their part of the triple event.

## Bear Rules Set

The archery bear season runs from Sept. 7 through Sept. 16 in late deer-season areas only, the Department of Fish and Game announces. Bear may be taken by bow and arrow during the regular bear season.

## Pacific Riviera Wins Top Honors

Pacific Riviera All Stars put together a strong hitting attack and a good performance by pitchers Chuck Fernandez Sunday afternoon to preserve their no-undefeat play-off record and leave the field with the District 1 Pony League championship. The Pacific Riviera boys sent Rolling Hills down to defeat 12-6.

For Rolling Hills it was their second defeat at the hands of the Pacific Riviera All Stars. It didn't come easy, though, as the Rolling Hills batters knocked two pitchers out of the box with threats in the second and fourth innings.

STARTER BUTCH Ramirez gave way in the second to Steve Crayton for Pacific Riviera, but the threat was renewed in the fourth. Eventual winner Chuck Fernandez took over mound duties in the fourth and settled down to limit the Rolling Hills nine to one run on four hits. Fernandez struck out nine.

Mike Jefferson blasted two homers for the winners, and Steve Crayton made the round trip once. Homers by Noel Wren and Marty Meagher for Rolling Hills kept alive hopes for a victory until late in the game. Meagher sent two balls over the fences.

Meagher was also tagged for the loss. Rolling Hills had been defeated by Pacific Riviera, 5-2, in the third round of the tourney. Pacific Riviera posted identical 6-1 wins over West Torrance and Redondo Beach on their way to the championship.

## Torrance Pair Place in Classic

Two Torrance kegglers have won places in the monthly finals of the Golden State Singles Classic. They are Nobuo Abe, who placed eighth with a five-game total of 1042, and Walter Labor, tenth in the field with a 1029 for five lines.
